## Our choice

DESIGN

**Top two ideas:** Map, then send a drone (winged) **and** winged drones

**We chose:** _____ **Votes:** _____

**We chose it because ...** (new? doable? helps biodiversity? give a fact)

We chose f and d because we think its newer and better.

**It beat** D **because ...**

it is D and F combined

**What we still need to prove, and who will find it:**

We need to prove that it is possible.

**On 11-17 we will build or draw:** (prototype or detailed drawing)
